certificates. MACED continues to be a co-manager of the Central Appalachian Forestry Alliance, which works to expand green and regionally oriented wood enterprises, demonstrate and expand value streams and promote sustainable forestry policy.

Form 990, Part III, Line 4d, Other Program Services:

Research & Policy

MACED's research and policy efforts seek to remove the barriers that hinder sustainable development strategies and to make government more effective in promoting development that works for people and places in need in Central Appalachia. In fiscal year 2011 we published a report titled Building Clean Energy Careers in Kentucky, advanced the work of the Appalachian Transition Initiative and participated as an active member of the Kentucky Coalition for Responsible Lending. MACED is also an active member of the Kentucky Sustainable Energy Alliance (KySEA). As the chair of KySEA's policy committee, MACED played a central role in formulating energy policy proposals and leading a revision process based on lessons learned from the 2010 legislative session. In January 2011, KySEA convened the first Kentucky Clean Energy Summit.

The Kentucky Center for Economic Policy (KCEP) was formed in fiscal year 2011. KCEP is a provider of solid information and grounded analysis about state fiscal and economic policy issues and their impact

--------------------------	---	--------------------------------	------------

on low- and moderate-income Kentuckians. Ultimately, we seek to contribute to changes in state fiscal and economic policy that lead to reduced poverty and improved quality of life for all Kentuckians.

How\$martKY

The How\$mart program is an emerging demonstration of a flexible investment structure that allows utility customers to pay for a portion of an efficiency upgrade each time they pay their utility bills, in effect paying for the retrofit out of the savings it produces. In fiscal year 2011, we secured approval from the Public Service Commission for the pilot project; designed financial and data systems; officially launched the program with four rural electric cooperatives; and completed the first set of home energy assessments.

Energy Efficient Enterprises

The Energy Efficient Enterprises project helps small businesses and enterprises reduce energy costs and consumption through increased energy efficiency. We develop and disseminate packages of information, financing and technical assistance for high-leverage energy efficiency opportunities in commercial building systems as well as specific business types. In fiscal year 2011 we provided technical assistance to 34 contractors and 46 enterprises. Fourteen retrofits were completed, some quite large in their energy savings. In all, these retrofits are estimated to result in annual savings of hundreds of thousands of kilowatt-hours of electricity. In fiscal year 2011, 1,336,327 coal-fired kilowatt hours have been saved through energy efficiency,

Name of the organization	Mountain Association for Community Economic Development, Inc.	Employer identification number	31-0900246
--------------------------	---	--------------------------------	------------

and 4,102 kilowatt hours have been created through renewable energy sources. The team packaged information related to energy savings for lighting, refrigeration and HVAC at groceries and also developed a Kentucky-specific solar photovoltaic calculator. The energy audit library has been expanded with several new pieces of equipment and 19 new books.

General Community Development

Historically, MACED has provided administrative support services to and has maintained a joint employer relationship with several small nonprofits whose mission closely aligns with MACED's. Currently MACED provides these services to Kentucky Natural Lands Trust (KNLT). KNLT is a nonprofit conservation organization working to secure funds to protect natural lands and provide for their long-term stewardship.

Expenses, grants to other organizations and revenue for these four

Other Program Services are as follows:

Expenses \$ 873,458. including grants of \$ 129,916. Revenue \$ 57,410.

Form 990, Part VI, Section B, line 11: The first level of review of the Form 990 is by MACED's operations and finance director (corporate treasurer), who provides the preparer with the information for the return and works closely with the preparer to ensure its accuracy and completeness. The MACED president reviews the form before signing it. The board's finance committee also reviews the Form 990. Following the finance committee review, the Form 990 is distributed to the board electronically before it is submitted to the IRS.

Name of the organization	Mountain Association for Community Economic Development, Inc.	Employer identification number	31-0900246
--------------------------	---	--------------------------------	------------

Form 990, Part VI, Section B, Line 12c: The MACED bylaws include a conflict of interest policy that specifies conflicts of interest to be avoided. The board of directors may make exceptions to the policy in specific cases when the situation is fully disclosed to them.

A provision of the conflict of interest policy is that that each director, officer and employee must receive, sign and return a copy of a summary of the conflict of interest policy. Annually, MACED board members and employees sign the summary anew, affirming that they have read and understand the policy.

As part of the annual audit process, board members and other related parties fill out a related party questionnaire on which they report any interests and transactions that could give risk to conflicts of interest. Any conflicts of interest are disclosed as part of the audited financial statements.

Form 990, Part VI, Section B, Line 15: Annually, the MACED president is evaluated through a process guided by the board executive committee, composed of the board officers (chair, vice-chair, board treasurer and board secretary). The executive committee reports its findings to the board in closed session. After considering the committee's report, the board sets the president's compensation for the following year. The board takes into account compensation levels reported on Forms 990 for the CEOs of three to five comparable organizations as well as its knowledge of compensation of positions in the private and nonprofit sectors with comparable levels of responsibility, qualifications and achievement. The president does not

Name of the organization Mountain Association for Community Economic Development, Inc.	Employer identification number 31-0900246
--	--

participate in or vote on the decision on the president's compensation. The board's decision on compensation is recorded in minutes which are presented and approved at the following board meeting. This process last took place in January 2011.

The president determines the compensation of other staff, including those who serve as corporate officers, following an annual performance review of each staff member. Along with considerations of equity among staff, the president takes into account compensation levels reported on Forms 990 for officer positions in three to five comparable organizations and his knowledge of compensation of positions in the private and nonprofit sectors with comparable levels of responsibility, qualifications and achievement. Every change in a staff salary is documented in a letter to the staff member.

Form 990, Part VI, Section C, Line 19: MACED's Articles of Incorporation, summary conflict of interest policy and audited financial statements for the past five years are available on the MACED web site, www.maced.org.
